DESIGN

Philips, a born innovator

For over 125 years,
we have been
improving people's
lives with a steady
flow of ground-
breaking innovations

The founding fathers of Philips

Frederik

Gerard

Anton

Royal Philips in 2018

EUR 18.1
billion sales

More than 1/4
of sales from solutions

5%
comparable
sales growth

~77,000
employees in over 100 countries

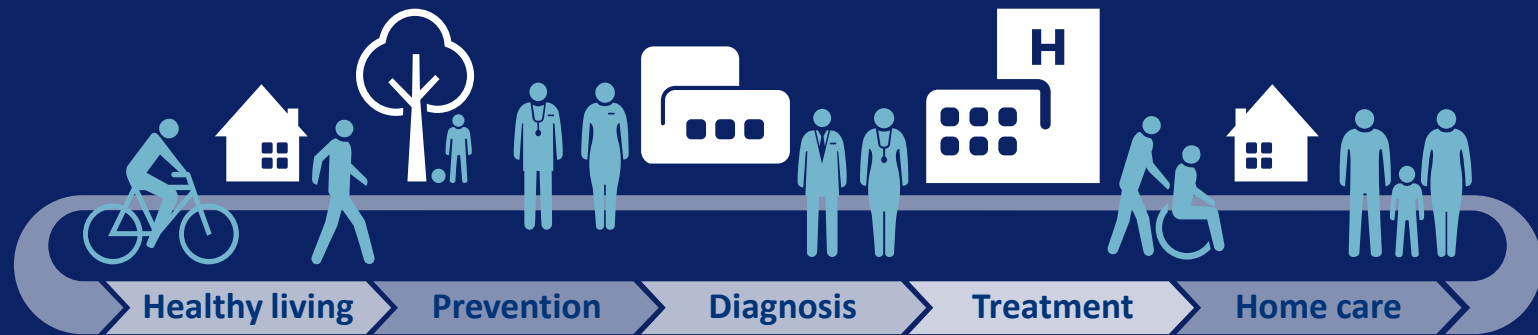

- We strive to make the world **healthier and more sustainable** through innovation

We're aiming to **improve the lives** of

3 billion
people a year
by 2030

Towards seamless, 24/7 connected care

Quadruple Aim

Improved patient
experience

Improved
patient outcomes

Improved staff
satisfaction

Higher productivity,
lower cost of care
delivery
